Foreword

We are living in the "knowledge explosion"; a period when everyone seems to be searching for new ways to do things, new ways to look at life, and new ways to think. We at Wauconda have had an eventful year being a part of this explosion. We changed intellectually, physically, emotionally, and socially as we developed new interests and participated in activities as the year progressed.

This 1969 Bulldog is designed to reflect the dimensions of Wauconda High School life, the familiar faces, sights, and sounds.

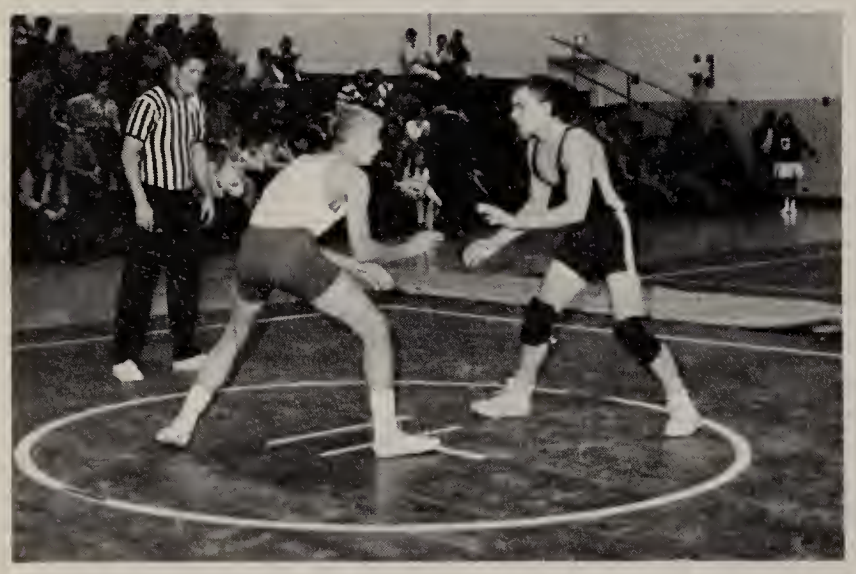
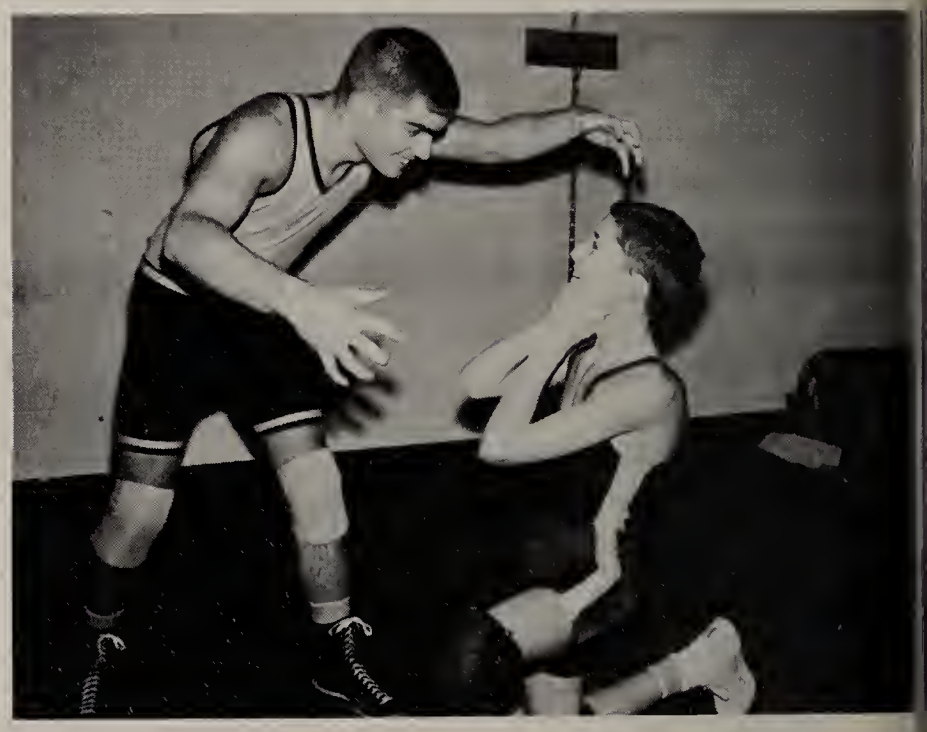
Varsity Wrestling





Varsity Candids

Nowhere is hard, fast-moving competition displayed more unmistakably than at a wrestling meet. At these meets our Varsity Wrestlers show more than strength and endurance. Under the coaching of Mr. Falk, and through much hard work and self-discipline, the squad gains skill--the ability to out-think and out-maneuver their opponents.

Despite the tragic and untimely loss of several wrestlers, early in the season, the squad held their own this year. Those who have attended meets and seen our matmen in action can readily understand the growing popularity of this fast moving sport.

Senior Class

There is no definite word that one could use to describe the 1968-1969 Senior Class of Wauconda High School. One can, however, acknowledge the fact that our class has been quite progressive, more so, in some respects, than others preceeding or following us. Throughout the course of our high school years, we have accomplished many recognized goals in fields such as, athletics, scholastic achievements, student council, and music. Our class has always been one to participate heartily in extra-curricular activities, clubs, and school functions. Although we have our shortcomings and have had our share of failures, just as any other class, we sincerely hope that we have benefited the student body with our achievements and that we will be long remembered as a "class of action" after we graduate in June, 1969.

Newzine Staff

The Newzine is the monthly publication of Wauconda High School. It is published eight times a year, October through June, by the Journalism Class.

Our purpose is to inform students of the activities and happenings in and around the school. The Newzine enables students and faculty to voice their opinions through a "Letter-to-the-Editor" column, and provides students an opportunity to express their talents in writing, photography, and art.

Ski Club

This year Wauconda's Ski Club has many new active members. The club tries to make two ski trips a week, usually to Wilmont. It is offering ski lessons to any beginners and those who want to learn better skiing techniques. The Ski Club's big goal, this year, is a trip to Breckenridge, Colorado over the Easter vacation.

The F.H.A. Club of 1968-69 is very active. Although most people think of it as a home-maker's club, it isn't. It's really just a fun club. We have quite a few parties, outings, and money making projects. We sell mums for homecoming and go on shopping trips to Chicago for Christmas. We also decorate a tree for Christmas every year. This year we had a Thanksgiving dinner for the members and officers which was a good time for all with lots of dishes to wash. We have a Mother-Daughter Banquet every year, where we go to a restaurant and elect new officers for the coming year. So you see, this club is really a chance to get to know other girls a little bit better.

Spanish Club exists to encourage and to aid a better understanding of the Spanish culture and especially of the Spanish language. By participating in Spanish activities and in attending other Spanish functions, the students become more aware of the importance of a foreign people; and by practicing the language at these informal activities, the students hopefully become more fluent in speaking Spanish.

Student Council

The purpose of a Student Council is to promote student government. This year, the Student Council of W.H.S. has been given the opportunity to prove itself as a student government. It has formed an "Inner Council", which brings the voice of the student to the administration. This, plus other factors, has created a pleasant atmosphere throughout the school. The Student Council also feels that student interest and participation in school activities is very important. Therefore, the council is constantly planning activities which involve the student body.
